A WOMAN'S WAY

"I tried for four months to get my wife to try May's Wonderful Remedy, which I know had helped a friend of mine who also suffered from stomach trouble. She insisted her case was different. I finally had to bribe her with a new dress. The first dose produced remarkable results, clearing up her complexion and restoring her appetite. She can now eat things she hadn't been able to for many years." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Quit Laxatives, Purges; Try NR

NR Tonight—Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, calomel, oil, purges and cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary.

Why don't you begin right today to overcome your constipation and get your system in such shape that you can do as you please? You can do so if you use Nature's Remedy (NR Tablets) and take one each night for a week or so. NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs.

It promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and gives action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you will always feel your best.

Try Nature's Remedy (NR Tablets) and prove that it is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

Chronic Catarrh

Our manner of living makes us very susceptible to colds and a succession of colds causes chronic catarrh, a loathsome disease with which it is estimated that ninety-five percent of our adult population are afflicted. If you would avoid colds or having contracted a cold, get rid of it as quickly as possible. Chamberlain's Cough Remedy is highly recommended as a cure for colds and can be depended upon.
